FROM THE PRESIDENT

As exciting as it is to look ahead and anticipate all that awaits us at Bridgewater, to welcome our new students into the fold and celebrate another fall, it's also important to look back. This publication recognizes the faithfulness of our donors, the loyalty of our alumni, the achievements of our faculty and staff, the accomplishments of our students and the events that shape each year at Bridgewater College. I look forward to sharing this coming year with you, but I'm also extremely grateful for those who came before me and helped pave the way for the current growth and success of the College.

Thank you to everyone listed in these pages whose generosity continues to give us a foundation upon which we can build for the future. Know that you have been and continue to be integral to our ability to educate the

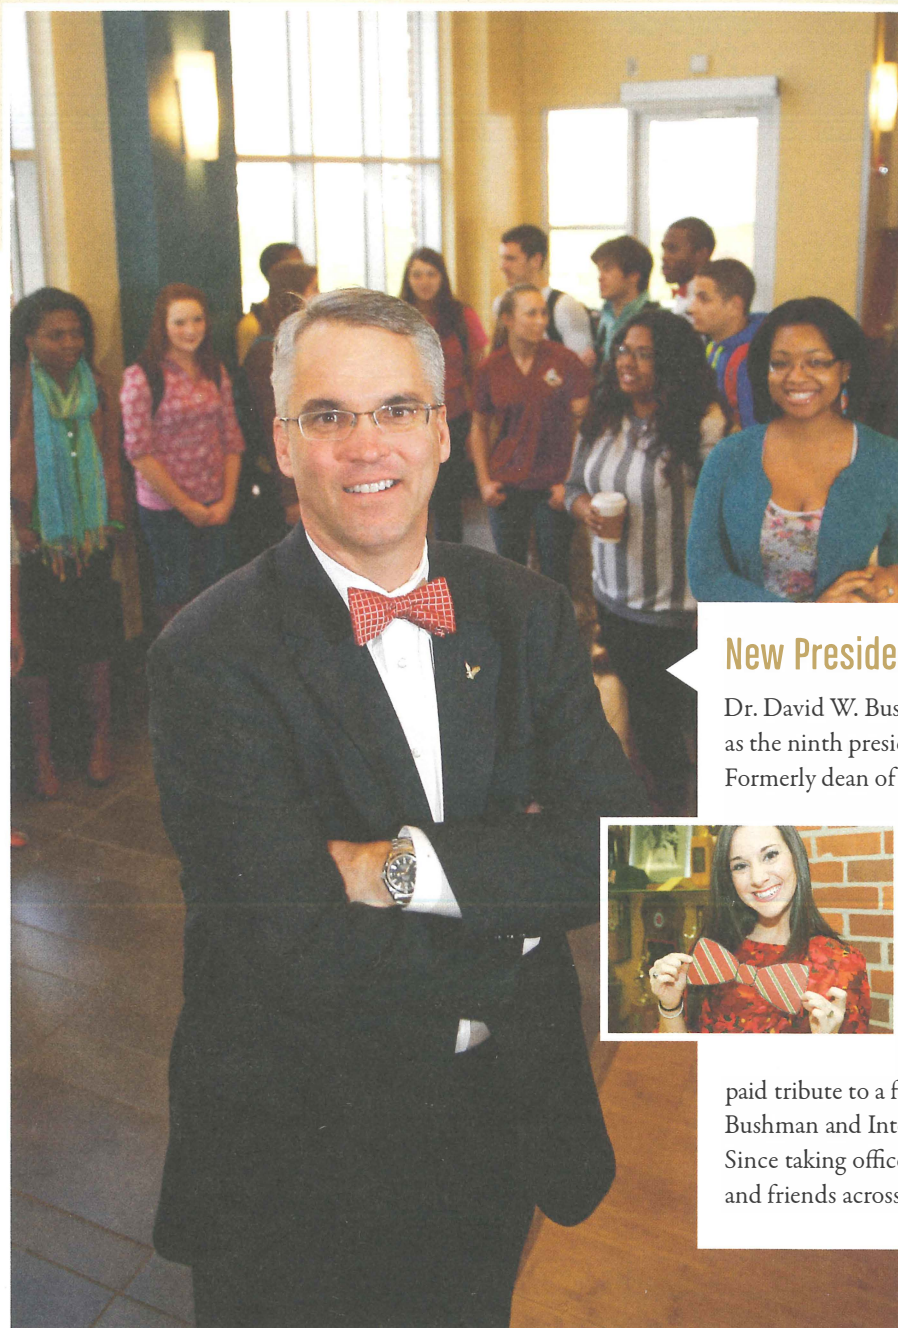

next generation. Our students are able to thrive and succeed thanks to the scholarships you established, the lecture series you funded, the dugouts you refurbished and the current needs met each year through the Bridgewater Fund. In these pages we celebrate you.

Thank you for all you do for Bridgewater College.

With warm regards,

A handwritten signature in black ink that reads "David W. Bushman". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.

David W. Bushman, Ph.D.
President

New President David W. Bushman

Dr. David W. Bushman took office on June 1 as the ninth president of Bridgewater College. Formerly dean of the School of Natural Sciences and Mathematics at Mount St. Mary's University (Md.) and president of Lees-McRae College (N.C.), Bushman was warmly welcomed to the College in a series of introductory events in early February. The paper bow ties paid tribute to a fashion preference of both Dr. Bushman and Interim President Roy Ferguson. Since taking office, Bushman has met with alumni and friends across Virginia and Maryland.

Left to right: Dr. Linda Knight Wilson '67 and her husband Colonel Stephen Wilson welcomed the Bushmans to their home in Williamsburg, Va., for an alumni & friends event. Dr. Bushman and Ernie got acquainted at the Opening of School Picnic on August 25, 2013. Groundbreaking for the new Nininger took place on July 18, 2013.

Commencement 2013

BC graduated 301 students at commencement exercises on May 18, 2013. Speaker Virginia Supreme Court Justice William C. Mims urged the graduates to remember society's timeless virtues and build meaningful lives.

Elizabeth Smart Speaks to BC Students

Abduction survivor Elizabeth Smart spoke to a full house in BC's Cole Hall on Feb. 25 as part of the W. Harold Row Lecture Series. Drawing media attention from as far away as Chicago, Smart's presentation drew attentive students and community members to a packed Cole Hall and an overflow room with a video feed. Her moving story has led to her position as an advocate for child abduction recovery programs and preventive measures.

Photos by Holly Donahue '14

Women's Soccer Goes to ODAC

The women's soccer team reached its first Old Dominion Athletic Conference title game, recorded its first ODAC tournament win and scored its first victory over a nationally-ranked team (ODAC semifinal win over Virginia Wesleyan). Coach Mike Van Horn was named the ODAC Coach of the Year.

New Flavors and Spaces in the KCC

Fall 2013 saw the arrival of a new dining services provider, Parkhurst Dining, and a revamped main dining hall in the Kline Campus Center, featuring small, friendly tables with restaurant-style seating, counters with stools, and booths. Students took advantage of longer, continuous dining hours and a variety of fresh additions to the daily menus.

Celebrating 100 Years of Tarzan

English professor Stan Galloway hosted the Tarzan Centennial Conference in October 2012, celebrating the 100th anniversary of Edgar Rice Burroughs's famous creation. The conference featured 78 year-old film and television star Denny Miller, who played the eponymous character in 1959's *Tarzan the Ape Man*; John Ralston Burroughs, the author's grandson; numerous scholars and experts; and the East Coast premiere of Burroughs' play *You Lucky Girl!*

Best-Ever Finish for Swimming

The swimming team placed third at the ODAC Championships to mark its highest finish in program history. Coach Fran Smith was named the ODAC Coach of the Year.

Baseball's Historic Season

The Eagles baseball team's historic season included winning the ODAC regular season championship, reaching the ODAC title game, earning a trip to the NCAA Regional tournament and winning its first regional tournament game since 2006. The team also achieved a record 34 wins.

A CHALLENGE TO

Make a Difference

The BC Alumni Challenge was born out of a desire to increase alumni participation and inspire new or increased giving in the final months of fiscal year 2013. The BC Alumni Association Board members and Past Presidents Council agreed to a \$25,000 challenge grant to encourage alumni who had not donated in the past to donate for the first time or alumni who had donated to increase their donation. Anita Waters '78, president of the Alumni Association for 2012-13, said, "I feel the board was eager to make this contribution as a way of showing our passion and commitment for Bridgewater College, as well as our commitment to the students who will become future leaders."

The challenge grant proved highly successful, raising \$49,000 from April 1 through June 30 from 288 alumni who either became new donors or increased their giving from the previous fiscal year.

Waters commented on the success of the campaign, "As alumni, we had an opportunity to 'pay it forward.' Alumni supported the college and each of us when we were students – whether we graduated a year ago or 50 years ago." She continued, "Throughout the campaign, alumni were encouraged to donate any amount rather than a set amount. By

promoting this, alumni who may have felt like they could not afford to contribute in the past knew that whatever they donated was greatly appreciated. Additionally, a donation to any fund at Bridgewater counted." Waters said part of the success was being able to raise a successful level of "buzz" and spread the energy and enthusiasm through alumni encouraging their friends to give as well.

The gratifying result has helped lay a foundation on which alumni can build in the future. Alumni participation is a factor in college rankings and is considered by corporations and foundations when awarding grants. While strengthening the College's position in the marketplace, alumni participation is primarily a way all alumni can give back and show their support for a new generation of students who are now part of the BC community.

"As alumni, we had an opportunity to 'pay it forward..."

– Anita Hall Waters '78

The Challenge Grant

raised \$49,000 between April 1 and June 30, 2013.

288 Alumni

either became new donors or increased their giving from the previous fiscal year.

SPOTLIGHT on Faculty

4 FACULTY MEMBERS HAD BOOKS OR BOOK CHAPTERS PUBLISHED:

Erin Morris Miller – Had a chapter, "Being Gifted," published in the textbook *Fundamentals of Gifted Education*

Bernardo Motta – Co-authored the chapter "Environmental Risk Communication: Right to Know as a Core Value for Behavioral Change" in *Talking Green: Exploring Contemporary Issues in Environmental*

Communications

Lou Pugliese – Published *Thinking of Others: Understanding Entitativity* based on his dissertation work

Mwizenge Tembo – Published his book *Satisfying Zambian Hunger for Culture: Social Change in the Global World*

AWARDS:

Jennie Carr – Economic Education Award given annually by Shenandoah Valley Economic Education Inc.

Scott Jost – 2013 Virginia Foundation for Independent Colleges (VFIC) Mednick Fellowship

Ralph Shively, Faithful Supporter of BC Athletics

Ralph Shively came to Bridgewater College five years after he had retired from his time as a college professor in the Midwest. He and his wife, Catherine, became so fond of the area that they decided to stay. Shively taught mathematics at Bridgewater for much of the 1990s and became a devoted supporter of the Bridgewater Eagles teams.

Now 92, Shively is one of two living honorary alumni of the College, and he recently made a generous donation toward the construction of new dug-outs for the baseball field. Shively was honored for his contribution at the final home baseball game on May 4. "I've always been a baseball fan and a big supporter of BC athletics," he said. He still goes to every Eagles home game – football, baseball and more. His favorite memory is of the 2001 Stag Bowl, in which the Eagles football team competed for the NCAA Division III national championship.

14 FACULTY MEMBERS HAD JOURNAL ARTICLES, ESSAYS, POEMS, PAPERS OR BOOK REVIEWS PUBLISHED:

Jennie Carr

Remembered Through Addition of Lecture Series

Student

ACHIEVEMENTS

PUBLICATIONS

Abigail Martin '13, Sara Church '16 and Hannah Scaletta '16 had their work with Dr. Robert Hammill, "Hoffman Reflex and the Soleus Muscle" published in the iWorx newsletter

Matthew Staton '13 had a short story, "The Artist's Portrait" published in *The Sigma Tau Delta Rectangle*

Alison and Pete's wedding (2005)

Alison with her Japanese students

Alison Yowell Pazmino '95 was an extraordinary person and a passionate teacher who, after graduating from Bridgewater College in 1995, taught French, English, and English as a Second Language. After returning home from Japan, where she spent two years training Japanese teachers in English-language curriculum development, she became a teacher-consultant with the Northern Virginia Writing Project and an editor for the *Journal of the Virginia Writing Project*. Pazmino's life was cut short by Hodgkin's disease in 2005.

Over the course of her short life, Alison's commitment to education and generous spirit served as an inspiration to teachers and students alike. Five months after her death, the Commonwealth of Virginia celebrated her life and contributions to education through the unanimous passage of House Joint Resolution 429, which declared that her "legacy lives in the young people...whose lives she touched and inspired." It is in the spirit of further honoring this legacy that her husband, Pete Pazmino, and her parents, Lois and Donald (Duke) Yowell, established a memorial fund in Alison's name at Bridgewater College.

Alison with her mom, Lois

Alison with her students in California

The Alison Yowell Pazmino Memorial Fund for Student Education Series will enrich the educational experience of Bridgewater College students by funding symposia and learning experiences in the areas of children's and young adult literature and international education.

Jeff Pierson, director of convocations, commented, "I believe Bridgewater College has been very blessed by the addition of the Alison Yowell Pazmino lecture series. I feel very fortunate to be serving as the director of the College's lecture series at a time we will hold our first lecture. After meeting Alison's parents, husband and friends and having the chance to hear her amazing story, and then retelling the story to my wife, my wife and I were moved to donate towards this wonderful new fund."

This year's inaugural speaker in the series will be Kathryn Erskine, a children's literature author, who won the National Book Award in 2010 for her novel *Mockingbird*. Erskine also has an international background, having lived thus far in six different countries.

STUDENT AWARDS

Christian Lynn's ('15) project "Developing Analysis Software for O₂ Photoacoustic Spectrometry" was selected for an award funded through collaboration between the Virginia Foundation for Independent colleges (VFIC) and the Dr. John W. Martin Summer Science Research Institute.

Ashley Hartman's ('15) research project entitled "The immune response to psoriasis: an investigation into the role of dendritic cells in autoimmunity" was selected for an award of \$5,000 from the Dr. John W. Martin Summer Science Research Institute.

Christina Teter's ('15) research project entitled "DNA barcoding as a tool for identifying the prey in the feces of Carolina Chickadees (*Poecile carolinensis*)" was selected for an award of \$5,000 from the Dr. John W. Martin Summer Science Research Institute.

BC STUDENTS HAVE OPPORTUNITIES TO

STRETCH & GROW...

THANKS TO CONTRIBUTIONS TO THE BRIDGEWATER FUND.

Bridgewater College students have the opportunity to stretch and grow throughout their education, as each experience shapes the whole person they are becoming. These experiences would not take place without your help. The Bridgewater Fund supports academic scholarship, faculty research, study abroad opportunities and so much more.

At BC, I have been able to take two guitar lesson classes, a snowboarding class and a biology Interterm class in South Africa, and I am going to Ireland this fall to take business classes along with electives. And I was fortunate to be able to do an internship this spring in nearby Harrisonburg. As a freshman I knew Bridgewater College was the right fit for me, but I had no idea of all the opportunities I would have." – **Lauren lobst '14, Business Administration**

Andrew Grossnickle '02

Andrew Grossnickle fondly remembers his time at Bridgewater College. Now a partner at Robinson, Farmer, Cox and Associates, a regional CPA firm in Fredericksburg, Va., he credits the small class sizes and personal attention he received from his professors with giving him increased opportunities to learn and grow. Grossnickle, who is currently a member of the BC Alumni Association Board of Directors, said that he gives to

Bridgewater because he would not have been able to attend college without the support of financial aid. "An investment in Bridgewater College does not just have a one-time impact. That investment may make it possible for a prospective student to attend college who otherwise would not have without our support." He continued, "Even one student could end up having untold positive impacts on society through his or her chosen career, such as a teacher, doctor, scientist or business leader."

Mark Hogan

PROFESSOR OF EDUCATION

Mark Hogan has always been drawn to liberal arts education. As a liberal arts college graduate and professor, Hogan has been deeply impressed with the impor-

tance of the leadership qualities developed in students through the experience.

Hogan said he gives to Bridgewater College because he sees it as a way of giving forward and showing appreciation for the place where he has served as a professor for seven years. "I was a first-generation college student and received scholarships that made a significant difference for me. Someone invested in me, not even knowing who I was."

He believes Bridgewater College provides a vital education for the 21st century and added that private institutions like Bridgewater need donor support in order to thrive and provide for their students. Hogan commented that he is also grateful to be able to "see the direct application of the funds and the impact it has for the students." The collegial environment and the close-knit community that is present at BC are among the factors he listed for his support of the College.

Codicil Club

THE CODICIL CLUB of Bridgewater College honors those friends and supporters of the college who have chosen to remember BC through estate-related gifts. Codicil Club membership is open to all alumni and friends of the institution who include Bridgewater College in their wills or in other forms of estate planning and deferred giving.

MEMBERSHIP

Membership in the Codicil Club is offered to those who:

- Include Bridgewater College in a will or in a codicil to a will as a beneficiary or contingent beneficiary
- Enter into an agreement with Bridgewater College to purchase a charitable gift annuity, establish some form of charitable remainder trust, a lead trust or other form of life income contract.
- List Bridgewater College as a beneficiary or contingent beneficiary in a life insurance policy or make Bridgewater College the owner of a life insurance policy.

Thank you to all the current members who are represented here.

“As an **English** major, I feel it is of paramount importance that students are exposed to different cultures and perspectives. Through the literature courses at Bridgewater, I have been able to discover new realms of possibility and have been able to explore the world—without leaving campus. — **Katherine Smith '13**

“I really enjoy being a **physics** major because I love physics and engineering. Each of the physics professors uses a different method to teach, causing each class to be different and new. It's very easy to develop a personal relationship with the professors and get to know them better. Being able to have that kind of friendship with the professors truly makes the College unique. — **Samuel Porter '14**

“Studying **business administration and Spanish** gives me an opportunity to learn about what is currently happening in the world around us, and how it relates to us. I am learning everything from the culture and civilization of the ancient Mayan people, to information about the current economic recession. — **David Larson '14**

THANKS TO YOU. *A brighter future for the students of Bridgewater College.*

“As a **philosophy and religion** major, I have experienced great professors who artfully incorporate other fields of study to help explain course material as well as attempt to answer the deepest questions of life. What I have loved most about the academic life at Bridgewater College is its focus on developing the whole student, providing education that connects with real world issues. — **Tyler Goss '13**

“As a **music** major, I have been able to become a member of NAFMEC, a national music association; attend VMEA, a music conference located in Virginia; teach a class of my peers; perform a recital; and conduct a piece of music for the last Symphonic band concert of the year. This is all made possible thanks to the atmosphere and academic life at Bridgewater College. You are encouraged to not get lost in your own major but to explore what the whole campus has to offer, whether that is joining a music ensemble, playing intramural sports, or sitting down to have a one-on-one talk with one of your professors. — **Miranda Fitzgerald '16**
